Accommodation

The bike chalet is situated in a quiet area just outside the village of Versegères in the Verbier Valley.

It has a large garden, outside terraces and great views and is a fantastic place to relax after a day of riding.

Your accommodation is in comfortable twin or double bedrooms with en suite shower and toilet.

Bed linen, towels and hairdryer are provided.

Food

“Food is fuel” and we make sure that you have plenty in the tank to tackle those challenging rides. The morning starts with a classic continental breakfast with fresh bread, homemade müsli, fresh fruits and milk, yogurt, orange juice, coffee, and tea.

The “biker’s lunch” is designed to keep those energy levels up into the afternoon. Freshly made sandwiches, fruit, and muesli bars.

On your return to the chalet, you can enjoy a snack and a hot or cold drink as you watch the sunset over the mountains before enjoying a fine evening meal accompanied by locally sourced wine. Three-course dinners are prepared by our chef daily with the use of fresh and local produce.

We promote vegetarian meals from a sustainability point of view and will cater a vegetarian meal on two nights a week. Our chef will prepare a vegetarian meal daily on request. We try our best to accommodate any other dietary requirements.

Your riding experience

The choice of trails is endless. Your local guides know every trail in the region. Which specific trails we ride during your mountain bike holiday will be tailored to the local conditions and adapted to interest, riding skills, and fitness to ensure you get the most out of your riding days.

We are not racing, our approach is “enjoy the ride” and appreciate how amazing it is to ride your bike in these environments. We love challenges and pushing the limits but to us the perfect ride is one you share with others. A combination of riding great trails, having a laugh, and enjoying the views and local culture.
